Re: LSA Document #17-173/ Economic Impact Statement

Mr. Marusarz,

Pursuant to Indiana Code 4-22, as the Small Business Ombudsman, I have reviewed the economic impact analysis for small business associated with the rule changes contained in LSA Document #17-173 proposed by the Department of Local Government Finance.

The economic impact statement prepared by the Department of Local Government Finance states, "there will be no financial impact on small businesses as a result of this rule".

Based upon this statement and review, the Small Business Ombudsman supports the proposed rule related to the economic impact to small business if the Department of Local Government Finance's conclusion reflects the actual result after promulgation. If you have any questions about these comments, please contact me at [KBlankenship@iedc.IN.gov](mailto:KBlankenship@iedc.IN.gov).

Sincerely,

Katelyn Colclazier  
Small Business Ombudsman
